## Disability Athletics Coach

### Description

Yate & District Athletic Club are an ambitious athletics Track & Field club, based in close proximity to both Bristol and Bath.

Following the completion of brand new 8 lane track in 2019, which has provided one of the best athletics facilities in the South West. Yate AC now has everything that is necessary for disability athletics, including race chairs and a throwing seat.

The club wants to expand it's membership, encouraging people with disabilities to try athletics.

Consequently, more coaches are needed to join the team.

### Our objective

We would like to be in a position where we are able to provide coaching for every athletic discipline, at every club training session.

We would like to be able to provide coaching for all disability athletics events.

To do this we need more specialist athletic coaches.

The club will guide any applicant through the entire process of becoming a qualified coach, from providing hands-on experience, working with our coaching team, through to funding the qualification.

### Responsibilities

To deliver unsupervised athletics (track AND field) coaching to disabled athletes of various age and ability.

### Qualifications

Anybody who applies for the job will need to have the following accreditations. If you don't already have them, Yate AC can help you attain them.
