

## YATE & DISTRICT AC (OPTIONAL) COMPETITION WEAR

Since the closure of Initially Yours we have been working hard to establish a new supplier for our kit. We have now secured a supplier and are pleased to announce we will be working with Linela, based in Olveston.

You should now be able to [www.linelashop.co.uk](http://www.linelashop.co.uk) to purchase our "Club Wear" such as hoodies, zipped hoodies and hopefully coats, hats etc as they become available. Personalisation is available on some items if required.

In addition to the vest you are given when you first join the club – which is still perfectly fine for competitions (and we have many sizes in stock at the club) we also now have "Competition Wear" such as crop tops, fitted vests, shorts and leggings in Yate AC colours (see pictures). These will be subject to a minimum order to keep costs down and so we will make an order every February ready for the outdoor season. Pricing as follows if we order 10 or more of each garment:

Crops - £23.35 plus vat for adult sizing

Vests - £18.60 plus vat for adult sizes, as above.

Shorts £18.60 plus vat for adult sizes

Leggings £26.30 plus vat for adult sizes

Kids sizing is up to 12-13yrs

It is possible for us to put in singular orders however because of the way the garments are produced the costs are considerably higher.

If you would be interested in purchasing any of these four items now please could you contact Sam ASAP on [Sam.yateac.kit@gmail.com](mailto:Sam.yateac.kit@gmail.com)

**The order will be placed on 21<sup>st</sup> February – NO LATE ORDERS!**

**If we have 10 items per garment, the cost is as stated above, if we have less the cost will increase but it's still possible to order.**

Please note that the standard Yate AC vests will still be available from the club and new members will still receive one with their initial membership fee, the Competition Wear is optional and ONLY available through Sam. The membership vest and plain black shorts is still absolutely fine.

### HOW TO MEASURE GUIDE

#### LADIES SIZES

Use your usual bra size to find our recommended size for your crop top. For example if you are a 34C usually then going by the chart above you would be a size 12 in our crop top. For in-between sizes where we recommend a 12 to 14 for example the smaller would be a tighter fit and the 14 a little more comfortable fit depending on your personal preference.

#### CHILDREN'S SIZES

While standing with your arms relaxed at your side, wrap a flexible tape measure around your chest at its largest point. The tape measure should go through your armpit and stay parallel with the floor while taking the measurement. Do not pull the tape too tight. Using inch measurements follow the guide above to find your size.
